PRODUCT 1

KLONDIKE LIGHT: Contemporary Water-Based Metallic Finish

Water-Based Decorative Paint – Interior Use KLONDIKE LIGHT is a modern and elegant water-based decorative paint for interior use. Its unique colours and subtle shades create contemporary, on-trend living spaces with a refined metallic character.

Infused with fine metallic particles, the finish enhances soft gold and silver effects, giving walls a smooth, velvety appearance and a sophisticated, modern look.

Description

- Water-based decorative paint for interior use
- Refined metallic finish with gold and silver effects
- Smooth, velvety appearance
- Breathable and washable
- Suitable for a wide range of interior surfaces
- Ideal for residential and commercial environments
